

TAHA ELZAKI

GIS SPECIALIST

PROFESSIONAL SUMMARY

GIS Specialist certified in **QGIS** and registered with the Saudi Council of Engineers, with strong experience in **environmental assessment, spatial analysis, remote sensing, and field-based geospatial workflows**. Skilled in **QGIS, ArcGIS Pro, ENVI, Google Earth Engine, and PostGIS**.

Contributed to international research through IdeamapSudan, supporting **urban planning, environmental monitoring, and socioeconomic reconstruction**.

Available for immediate employment in Saudi Arabia.

Saudi Council of Engineers with index 1114766

Languages: Arabic - Native / English - Advanced

PROJECTS & PUBLICATIONS

Collaborated with team of IdeamapSudan: Geo-spatial for urban poverty Urban Remote Sensing Event (JURSE), <https://ieeexplore.ieee.org/document/10144211>

<https://research.utwente.nl/en/publications/ideamapsudan-geo-spatial-modelling-of-urban-poverty>

EDUCATION

Master of Science Geoinformatics | Dec. 2020

FUTURE UNIVERSITY

Khartoum, SD

Bachelor of Survey Engineering | Mar. 2015

SUDAN UNIVERSITY OF SCIENCE & TECHNOLOGY

Khartoum, SD

WORK EXPERIENCE

GIS SPECIALIST | FEDERAL MINISTRY OF TRANSPORT | Khartoum, Sudan Jan. 2020 - Jun. 2024

- Developed and maintained GIS databases to support transportation planning initiatives.
- Analyzed spatial data using ArcGIS to inform decision-making processes for federal transport projects.
- Collaborated with multidisciplinary teams to integrate GIS technologies into project workflows and operational strategies.

VOLUNTEER PERSON SUPPORT | WORLD FOOD PROGRAM(WFP) | North Darfur, Sudan

Sept. 2022 - Mar. 2023

- provided comprehensive support for program implementation, enhancing operational efficiency and collaboration across teams.
- Assisted in data collection and analysis, contributing to informed decision-making and strategic planning initiatives.

GIS SPECIALIST | UNIVERSITY OF TWENTE | ENSCHEDE, Netherlands Mar. 2021 - Mar. 2023

- Contributed to the development of geospatial data standards and best practices within the organization, promoting consistency and interoperability across projects.
 - Participated in training sessions for new volunteers, sharing best practices for accurately maintained and efficient data entry work.
 - Collaborated with team members to ensure smooth workflow and maintain high-quality results.
 - Implemented a comprehensive GIS Analysis system for Deprivation Area analysis in Khartoum, resulting in increased accuracy of displacement durable solutions and socioeconomic reconstruction planning.
-

Survey Engineer | River Navigation Authority| Khartoum, Sudan Feb. 2018 - Dec. 2019

- Conducted evaluations and calculations to measure, mark and delineate the boundaries of land.
- Developed and maintained a comprehensive database of survey data, facilitating easy access and analysis for future projects.
- Used a wide range of equipment to measure contours, distances and boundaries, including measuring wheels, GPS and geographic information system devices

GIS Surveyor | AGRESA (Agricultural Estimated Science Agency) | Khartoum, Sudan

Jul. 2015 - Jul. 2016

- Conducted land surveys utilizing advanced surveying equipment and techniques to ensure accurate data collection.
- Conducted detailed land surveys using advanced GIS technology to ensure precise data collection.

CERTIFICATES

- Certified [Data management; Raster and vector analysis; Image classification and indices; Field data collection; Cartography and web mapping. QIS -2021

<https://certification.qgis.org/en/certificate/QGIS-3113/>

- IdeamapSudan Integrated Deprivation Area mapping system for Displacement Durable Solutions and socioeconomic reconstruction in Khartoum, University of Twente Faculty of Geo-Information Science and Earth Observation.2023

<https://www.idea-maps.net/>

SKILLS

- **GIS & Remote Sensing:**
Raster & vector processing, indices, image interpretation
QGIS, ArcGIS Pro, ENVI, PostGIS, Global mapper, PiX4D, GEE
- **Programming & Data:**
- Python, SQL, JavaScript
- **Surveying Tools:**
GPS, total station, field sampling workflows
Civil 3D, total station,
- **Soft Skills:**
Communication, teamwork, adaptability, leadership

COURSESES

- **Technical:** Python (2024) Certificate ID: CC-352209680A, Jupyter Certificate ID: CC-02B277BDB7, JavaScript, HTML, CSS, SQL
- **Management:** Agile Project Management 2024 (HP), Logistics management, Camp Coordination 2023
- **Analytics:** Data Science (HP), Supply Chain Analytics (NPTEL)ID: u5222876
